As the object of the Conference is to arouse a greater interest in the subject of the local history of this section, we invite the hearty co-operation of all who are attracted by this purpose, whether residents of the Ohio Valley or not. While an individual character has been imparted to the various meetings, as is shown by the preliminary program, they will be of a sufficiently popular character to entertain all, and we will welcome a general attendance at each session. The Committees in charge will appreciate an early response from those who expect to be present, especially from persons outside Cincinnati. Kindly address all communications to the Secretary of the General Committee, FRANK PARKER GOODWIN, 3435 Observatory Place, Cincinnati, Ohio.
